Link to job announcement at <http://acpol.army.mil/employment> for more information.

Duties: POSITION WILL BE FILLED ON A TEMPORARY BASIS NTE 1 YR 1 DAY, SEE THE "OTHER INFORMATION" SECTION FOR ADDITIONAL INFORMATION. You will install and repair large climate controlled systems which provide a variety of air conditioning functions. Make periodic checks on the varied and complex systems in order to insure air conditioning functions are providing required climatic conditions. Test and make complete repairs on complex equipment such as compressors, refrigerant controls, motor controls, full/semi-automatic defrosting controls, etc. Dismantle, repair, and reassemble pumps, impellers, compressors, chillers, receivers, evaporators, etc. by installing and fitting connecting rods, crank shafts, piston rings, bearings, and bushings: overhauls valves by adjusting or replacing gaskets, springs, floats, diaphragms, valve fittings, seals, and couplings; and aligns motors, fly wheels, pulleys and belts, etc. Install and repair large and complex heating units.

About the Position: Tobyhanna Army Depot is the largest, full-service electronics maintenance facility in the Department of Defense with a total installation work force of more than 4,400. The depot's mission includes design, manufacture, repair and overhaul of hundreds of electronic systems for all branches of the Armed Forces. They include satellite terminals, radio and radar systems, secure communications, electro-optics, night vision and anti-intrusion devices, airborne surveillance equipment, navigational instruments, electronic warfare, and guidance and control systems for tactical missiles. For over 50 years, Tobyhanna personnel have built a tradition of unparalleled customer satisfaction through the delivery of timely, cost-effective, and high-quality products and services. Located in Northeastern Pennsylvania, near Stroudsburg, Scranton and Wilkes-Barre, the depot is readily accessible to major East Coast cities, interstate highways, railways, international airports, colleges and universities.
